DARK TOBACCO GROWERS

Agents Appointed at Drake's Branch to Handle the Product.

EUREKA MILLS, VA., January 8.-The executive committee of the Dark Tobacco Growers' Association of Charlotte county have contracted with Mr. W. C. Scott and Mr. Dunlop, of Drake's Branch, to act as agents for the association in Charlottee county. These gentlemen are well known in business circles and are prominent tobacco buyers. The farmers will now begin to deliver their tobacco to these agents, who will grade, order and prize the same. The tobacco will be insured and stored for safekeeping, and held to be sold by the State agent at the prices fixed by the State agent at the prices fixed by the State agent at the prices fixed by the State secutive committee.

Arrangements have been made with banks to secure loans when desired on the tobacco in storage, the tobacco to be held as collateral security.

A large quantity of tobacco is being piedged in Charlotte and other counties to the association. This is the most important movement inaugurated by the farmers in recent years, and a great deal is at stake.

A meeting of the county association with the state of the county association with the second contraction of the seco Tobacco Growers' Association of Char-

is at stake.

A meeting of the county association will be held at Charlotte Courthouse next Saturday, to take action to further the aims and interests of the association. The fight is on in dead earnest, and the farmers are determined to win.

It is generally conceded that the marked advance on certain grades of tobacco is the direct result of the success of the organization of the Tobacco Growers' Association in several of the most important tobacco growing States.
